GAS SERVICE

First Class Fumigation will contact PG&E to schedule the gas lock ONLY.

It is the RESPONSIBILITY of the PG&E account holder to contact PG&E to have the gas unlocked and restored. All structures will be available for re-entry after 5:00pm on the third day of the fumigation (Monday-Friday only). Saturday clears will be ready for re-entry after 1:00p.m.

You can reach PG&E at 1-800-743-5000 to schedule an appointment.

NOTE: FOR THE GAS RE-CONNECTION, PG&E SHOULD BE CALLED AS SOON AS YOU SCHEDULE YOUR FUMIGATION DATE IN ORDER TO HAVE THE GAS RESTORED ON THE DAY YOUR STRUCTURE IS CLEARED. IF THIS IS NOT DONE, YOU'LL BE LOOKING AT A ONE (1) WEEK DELAY IN GETTING THE GAS RESTORED.

Palo Alto residents can call Palo Alto Utilities at (650) 329-2161, to schedule an appointment to have their gas restored.

Propane Customers: First class fumigation will ONLY turn off any propane tanks on the property. It is the responsibility of the account holder to reestablish propane service.
